Subject: Civil Action 80-73699 Consent Decree

Pursuant to Section IX and V.B.2, of the referenced Consent Decree,  
provided herewith are the numerical results of the groundwater samples  
taken in June from the wells remaining on the site.

This completes the three-year program for Wells A through J. For the  
next two years these wells will be sampled and analyzed once a year  
except those wells designated as twice a year by the MDNR. By this  
letter we are requesting the MDNR to designate the twice-a-year wells.

Wells K and L will continue to be sampled and analyzed quarterly until  
September of 1989.

Very truly yours,
